7 April 2010: DPEX Thailand receives an honorable **SVN Awards 2009** from the Social Venture Network Asia (Thailand) (www.svnasia.org) for being a small-size Thai enterprise that has outstanding corporate social responsibility (CSR).

DPEX Thailand, a member of DPEX international air express delivery service network, is a 100% Thai owned company. The company provides its customers with reasonable price while continuously developing its high service quality. DPEX Thailand has an outstanding awareness in corporate social responsibility and has a lot of activities that benefit society and environment. The company takes good care of its employees and emphasizes on the development of mental awareness on the importance of the correct way in living and sharing to the society.

In the picture above, Mr. Anand Panyarachun, the former Prime Minister of Thailand, presented the award to Mrs. Rawiwan Horinouchi, Assistance Managing Director, DPEX Thailand in the SVN Awards Ceremony.
